HOTEL INDIGO

LEEDS

Nestled in the heart of the city, Hotel Indigo Leeds blends vintage charm with a bold, modern spirit. Our story began in 1879, and though the skyline has changed, our independent Yorkshire soul remains. At Christmas, the hotel glows with warmth, character and festive cheer. It's a city retreat where stories unfold and traditions are made.

THE BANKSIA

LEEDS

The Banksia is where festive flavours meet bold creativity. It's a place made for lively toasts, shared plates and unexpected twists. Inspired by faraway tastes, blended with our Yorkshire roots, the Banksia brings people together to relax, indulge and celebrate. Whether it's your first visit or your fiftieth, you're always welcome here.

This Christmas

Celebrate the season in a space where old walls meet new energy. From bold festive dining at The Banksia to overnight stays steeped in city heritage, everything comes together for a truly memorable celebration. Whether you're planning a night of cocktails and conversation, a sit-down feast with all the trimmings, or a full festive escape, we've created the perfect setting to eat, drink and be merry in the heart of Leeds.
